Overview

Rent out the Kamakurabori Assembly Hall and learn about the 800-year-old Kamakura Style wood carving with direct guidance from a craftsman. You will carve your own intricate piece by tracing a traditional Kamakura pattern outline, and the craftsman will later finish the carving and layer it with urushi lacquer. It will be sent to your home at a later date (can take 4 months or more).

Note: If you want to carve the entire pattern by yourself, it is possible to stay for up to 5-6 hours.

Sales points

- You will rent out the assembly hall, so you can carve in peace and quiet.
- A genuine Kamakura-bori carving craftsman will be your instructor, and special wooden materials will be prepared for this craft.
- Your completely unique work will be sent to your home to use for a lifetime.

Note: This activity involves the use of sharp tools. This activity is not available for children 13 and under.

Overview

This is a private walking tour led by an AT certified guide from Explore Hakone, a local Hakone specialist. You can enjoy the history and features of Hakone while walking along the Hakone Hachiri Old Pathway. Along the way, you will stop at a *yosegi* woodcraft artisan's shop and a 400-year-old *amazake* (sweet sake) teahouse, where you can get to know Hakone's residents.

Sales points

- This is a rare opportunity to connect with Hakone residents and learn about the rich history of Hakone.
- This tour is also suitable for those who do not have much experience in trekking.

Note: Price is subject to change based on the current US dollar-Japanese yen exchange rate. Tour is subject to cancellation in case of inclement weather.

Overview

This is a private guided tour of the Okada Museum of Art after the museum closes. A curator will explain some pieces in detail, and the you are free to explore the museum at your leisure. Meet at Odawara Station, or if you are staying overnight in Hakone, there is a car pick-up option.

**The local bus to and from Okada Art Museum can crowd very easily, so we recommend utilizing our pickup service*

Sales points

- You can rent the whole museum so you don't have to worry about crowds.
- The museum exhibits about 450 masterpieces of Japanese paintings, ceramics, and Buddhist statues from the 19th century onward; many of which are not on display anywhere else in Japan.

Overview

Narukawa Art Museum boasts over 4,000 *nihonga*-style Japanese artworks made with mineral paints that last for ages. Mr. Kanagawa, the director of the museum will explain major works in a private group tour. After that, you can enjoy coffee or matcha and sweets, in the best seats of the cafe to admire the stunning view of Lake Ashi (and, if you're lucky with the weather, Mt. Fuji). You will also receive a souvenir hand-picked by Mr. Kanagawa.

Sales points

- The café offers a picturesque view of Lake Ashi and Mt. Fuji when the weather is clear.
- Mr. Kanagawa is well-versed in *nihonga*-style art, so even complete beginners can learn about *nihonga*.
- He also knows painters personally and explains fascinating anecdotes which makes the experience so special.

8. Odawara Lacquer Workshop Tour & Lacquer Polishing Lesson Kanagawa Prefecture / Odawara City

Overview

This tour includes a visit to the workshop of Mr. Hajime Okawa, one of the few traditional craftsmen who have continued the 500-year-old tradition of Odawara lacquerware. It also includes a lacquer polishing lesson, where you can create your own uniquely patterned lacquerware piece. The finished pieces will be sent to you after undergoing the lacquering process by a craftsman (international shipping is possible; takes about 1 to 2 months).

Note: Please avoid getting too close to tools in the workshops to avoid sharp objects and stray woodchips. This activity is not available for children under 6 years.

Sales points

- You can learn about the history and production process of Odawara lacquerware and observe Mr. Okawa shaving the wooden surface in his workshop.
- You can polish and create your own original lacquerware with Mr. Okawa's guidance. Pieces are made of hard zelkova wood and coated with lacquer over and over again, so they will last a lifetime.
