

The Experience

A private guided tour of Okada Museum of Art by a curator, starting with a description of the museum's highlights while relaxing at Kaikaitei, a refined early Showa-era renovated Japanese house.

※Customizable schedule: Enjoy tea at Kaikaitei as a curator explains some of the museum's important works for approx. 60 minutes, then tour the museum to appreciate artwork for another 60 minutes.

An optional car pick-up is available to meet you at Odawara Station or your accommodation in Hakone.

Sales Points

- This experience allows you to leisurely appreciate the museum's artwork while listening to a professional curator describe the pieces after hours when the doors are usually closed to the public.
- The museum has on display about 450 masterpieces of Japanese paintings, ceramics, and Buddhist statues from the 19th century onward; many of which have never been shown anywhere else in Japan.
